Our Sponsors' Details and Web Links

<http://www.4myschools.org/about/>

We are about delivering an excellent supply teacher and recruitment service and supplement this by investing profit into teaching and learning. We do this through offering CPD, fair pay and fair charges for supply teachers and recruitment services for primary, middle, secondary, independent, special education schools. We offer our services across the East of England, in Essex, Hertfordshire, Kent, Norfolk, Suffolk, Southend-on-Sea and Thurrock.

Not all about profit

Unique to 4myschools is our total commitment to providing you with an outstanding recruitment service in a way that improves the lives of others.

4myschools exists to benefit children, schools, teachers and the community. We give back profit to support teaching and learning along with funding specially selected overseas projects. By working with 4myschools, you help to improve the life chances of the children in your community, as well as young people in the developing world. That feels good to us and we would like to work with schools and teachers that share our values.

Supporting u through your teaching journey

<http://www.uteachrecruitment.co.uk/what-we-believe>

Recruiting teachers from overseas can help solve teacher shortages

It is increasingly more difficult to source quality teachers from within the UK and hiring teachers from overseas can be very problematic as the majority of the applicants are not prepared for this kind of adventure.

The teachers require support and transitional training to help make the move successful and to ensure that teacher retention for two or more years is achieved. Unlike all other recruitment agencies, Uteach prepare, train and support all of its candidates for the transition to working in schools in the UK. This intensive and unique preparation results in a higher retention rate than would otherwise be the case.

Knowledgeable, flexible and affordable professional support services

We're a team of experienced professionals whose expertise today supports many schools and academies across the UK – enabling you to focus on what really matters: student achievement.

As a well-established, skilled team we bring a wealth of experience to our work. We've been providing school support services since the 1990s, and since the academies bill of 2010 we've also been guiding schools who have chosen to convert to academy status, giving them additional ongoing support to ensure they meet their new responsibilities.

From leadership and governance to improved teaching techniques, business resources to inspirational learning environments, our vision for today, tomorrow and into the future is to be the provider of choice for educational establishments in Norfolk and beyond.

For Golfers—Practice Makes Perfect

There's no better place to iron out your swing than our 22 bay floodlit driving range, putting green and short game area. The driving range is open from 7am until 9pm and it's ideal for regular practice or to loosen your shoulders before your round. Driving range membership cards are available in the pro shop. Invest in your game and take a lesson with one of our 4 PGA Golf Professionals. Tuition is available to all levels of player. Please contact the Club on 0845 075 5837 for more information and to book lessons.

Fitness

The two floor gym, with its wide range of machines and equipment is popular with guests and locals alike.

- Considerable amounts of cardiovascular and resistance gym equipment
- Indoor pool perfect for swimming laps.
