Schools DfE Ed. Tech. Platform

- For 24/7 choice of supply workers, to see contacts availability, skills, qualifications, proximity, ratings; to offer work, & select the best applicants
- Reduce costs with a lower transaction fee per booking via CCS RM6238 STaTS - Lot 4 with your agencies
- Rebook regular workers to reduce your agency fees and use agencies for more demanding bookings.
- Invite any temporary staff, part-time employees, retired teachers, volunteers, parents, & agency workers to connect
- Offer supply vacancies to any number of contacts
- Select the best applicants and confirm to them as direct employees, or via any mutual agencies
- Your unlimited local talent bank of preferred skilled workers
- Use with any local & national agencies too
- No software required, use on any device via a browser
- Online chat, attach documents for assignments
- See bookings & offers on single schedule
- Share contacts across teams within the school
- Instant offers for today & long-term placements
- Self-service, easy to set up
- Open for all schools and workers nationally
- Nominate workers for safeguarding compliance via agencies, once cleared they are active on the schools Ed Tech Platform.

What does it cost?

6-Week Free Platform Trial

Then a £48 monthly subscription
Or use the free low volume service

Flat Agency Transaction fee

Assignments confirmed via the platform with selected agencies are charged at a reduced flat transaction fee.

No software or changes to the schools existing infrastructure required. Access is via an internet browser, from any device, desktop, or phone.

Agencies don't need to pay any fees or use the platform in any respect. Confirmed orders are emailed to the schools selected mutual agency for formal assignment safeguarding confirmation details.
